Sir,

It has been brought to the notice of the Commission that while doing video coverage of public rallies and meetings as per the Commission's instructions (Election Commission's letter no. 447/2007-PLN-IV dated 17.01.07), in some places, the videographers engaged for the purpose of doing video coverage of the public meetings/rallies attended by NSG/SPG/ASL protectee, are not being properly security-vetted which may compromise the security of the protectee. In this connection, the Commission has issued the following instruction which shall be strictly followed:-

“The videographers engaged for the purpose of covering the public meetings/rallies etc. attended by NSG/SPG/ASL protectees having high security threat, proper security-vetting of the videographers shall be undertaken by the district police authorities. Proper liaisoning with the officials of NSG/SPF and ASL shall be maintained in this regard and under no circumstances the videographers and the process of videography can become a hindrance to the process of giving security cover to such protectees.”
