1.10 Careful examination of appointment order for checking name of assembly constituency, name and number of polling station and location of polling station.

1.11 Finding names of polling officers for that polling station as member of polling party. If any body is absent then ensuring appointment of other out of reserve polling personnel. Contact with members of polling party for that polling station. Attending training session is also ensuring last minute EVM hands on skill.

1.12 Contact with Zonal Magistrate for guidance and help in departing for polling station in designated vehicle through pre decided route and check post.
2. **Polling party training**

2.1 PrO should procure latest copy of PrO Handbook from RO/DEO and read thoroughly.

2.2 PrO is the leader of the Polling party. He should ensure that all the members of the Polling party are fully trained including hands on training on EVMs.

3. **On the day previous to the day of Poll**

3.1 On the day of dispatch of polling party ensure to collect the polling materials for use at the polling station. Ensure that-

(a) The control unit and balloting unit(s) given to you pertain to your polling station. Compare the machine number inscribed on the metal label and the adhesive sticker and also verify the PS no indicated on the sticker compared with PSNo mentioned in the address tag before accepting the EVM. Discrepancy if any shall be brought to the notice of the officer in charge of dispatch arrangement and be reconciled.

(b) The ‘Cand Set Section’ of control unit is duly sealed and address tag is firmly attached thereto.

(c) The battery in the control unit is fully operational. Remember to switch off the battery after checking the Control Unit.

(d) The balloting unit(s) have been duly sealed and address tags are firmly attached, both at the top and bottom right portion.

(e) The appropriate ballot paper has been affixed on each balloting unit and is properly aligned under the ballot paper screen.

(f) The slide switch has been set to the appropriate position in each balloting unit.

(g) All the items of polling materials mentioned in Annexure 1 of the Handbook of Presiding Officers have been supplied in required quantity;

(h) Check up the serial numbers of paper seals;

(i) Check up the electoral roll to ensure that:
   (i) the copies of the supplements are given,
   (ii) the part number of the roll and the supplement is correctly given,
   (iii) page numbers in the working copies of the roll are given serially,
(iv) the printed serial numbers of voters are not corrected and no new numbers are substituted for them,
(v) all deletions of names and corrections of clerical or other errors as per the supplements have been incorporated.
(vi) Tendered votes should be available for the same AC.
(vii) Photo copies of specimen signatures of the contesting candidates and their election agents. This will be helpful in verifying genuineness of signature of the candidates in the appointment letter of the Polling Agent at the polling station.
(viii) Other important polling material like dummy card board EVM, stamp pad, green paper seal, strip seal, statutory forms, register of voters (Form 17A), Form 17C etc.,

(j) Check the copy of the list of contesting candidates given to you. The names and symbols of the candidates given in the list must tally and should be in the same serial order in which they appear in the ballot paper on the balloting unit.

(k) Check up that the phial of indelible ink supplied to you contains sufficient quantity of indelible ink and that its cap is perfectly sealed; if not re-seal the cap with candle/wax.

(l) Check up the arrow cross-mark rubber stamp and your brass seals. Ensure that the arrow cross mark rubber stamp has seals affixed on both the sides and that the stamp pad is not dry. If your polling station is proposed to be located in a temporary structure, obtain iron box of sufficient dimensions to store your election papers.

(m) If you have any doubt about your movement program, route to be followed to reach the polling station, get them cleared and make sure of the time, the place of departure and mode of transport for reaching the polling station.

(n) In case the number of voters exceeds 1200 in your polling station, an additional polling officer would be appointed. Don’t forget to take him while collecting election materials.

3.2 (a) Reach your polling station on the day prescribed by RO and ensure that-

(i) there is enough space for the voters to wait outside the polling station and for separate queues for male and female voters;
(ii) there are separate passages for entry and exit of voters;
(iii) the voting compartment for voters to record their votes is well lighted;
(iv) a notice showing the polling area and details about voters is prominently displayed;
(v) the copy of the list of contesting candidates is prominently displayed.

(b) In case, women voters are large in numbers, woman assistant can be appointed by RO. Receive and verify the availability of order of the same and take her services to identify women voters. If any polling officer appointed for your PS is absent, you may appoint such polling officer and inform DEO accordingly, including woman assistant.

(c) Decide the place where you, your Polling Officers and Polling Agents of the candidates will sit and the control unit of the voting machine will be placed.

(d) Remove any photograph of any leader belonging to any political party hung in the polling station or cover them fully.

3.3 The voting machine and the polling materials entrusted to you should remain in your custody throughout, till the poll is completed and the voting machine and the materials are handed over back by you. Either you or one of the Polling Officers selected by you should remain in the polling station in charge of the voting machine and polling materials from the moment you arrive there. The voting machine and polling materials should not be left in the custody of the Police Guard on duty at the polling station or any person other than yourself or a Polling Officer selected by you.

3.4 If you are the Presiding Officer for a polling booth situated in a building having upto two polling booths you will be provided an alphabetical list of electors of your part.

3.5 List of absentee/missing voters, communication plan & vulnerable polling station/hamlets will also be provided to you.

3.6 On the arrival at polling booth ensure display of notice specifying the polling area and the number of electors assigned and also a copy of the list of contesting candidates.

3.7 Referral image sheet will be provided to facilitate identification of voters.
4. **On the arrival at the Polling Station on the day of poll**

4.1 On the arrival at the polling station PrO should take a round and know periphery of 200 meters.

4.1.1 Make arrangements to appoint a Polling Officer if some one from your party has not turned up.

4.1.2 Start preparing the voting machine including the conduct of mock poll half an hour before the time fixed for commencement of poll in the presence of polling agents. You wait for 10 minutes if two or more polling agents are not present.

4.1.3 After the mock poll clear the data of mock poll in the voting machine before sealing the control unit.

4.1.4 Fix the green paper seal, close and seal the result section of the control unit.

4.1.5 Place the phial of indelible ink in such a way that the ink does not spill out.

4.1.6 Ballot unit shall be kept on the table in voting compartment. The voting compartment should be located at sufficient distance from the table where the control unit shall be kept.

4.1.7 The interconnecting cable between the ballot unit and control unit has a reasonable length so it should be routed that it does not obstruct the movement of voter inside the polling station.

4.1.8 The connecting cable has to come out from the back of voting compartment through an aperture cut out at the bottom or back portion of the voting compartment. However, this aperture in the voting compartment should also not be so wide as to violate the secrecy of voting.

4.1.9 While placing the EVM in voting compartment, it should be ensured that nobody can disturb the cable. Voting compartment should not be near the window or door of polling station, to ensure secrecy of voting.

4.2 PO should ensure safety of PS within this periphery through checking deployment of CPF/State Police Personnel/Home Guard.

4.2.1 There should be separate entrance and exit for voters. Even if there is only one door to the room housing the polling station separate
entrance and exit can be provided with the help of bamboos and ropes in the middle of the doorway.

4.2.2 Polling officers and agents should be seated in such a way that they can’t have chance of seeing the ballot unit and the voter actually recording his vote by pressing particular button.

4.2.3 There should be proper arrangement of light in the room of polling station.

4.2.4 There should be enough space for the voters to wait outside the polling station.

4.2.5 There is separate waiting space for men and women as far as practicable.

4.2.6 Polling Agents should be seated in such a way that they can see the face of an elector as and when he enters the polling station and is identified by the first polling officer so they can challenge the identity of the elector. They should also be able to see the entire operation at the PrOs table or table of third polling officer where the control unit is kept and also see the movement of elector from entry to exit.

4.2.7 If there are sufficiently large numbers of women electors in a polling station, there should be special arrangements for their identification and application of indelible ink in a separate enclosure having due regards to privacy, dignity and decency. For ensuring this PrO can appoint locally available women to help their identification.

4.2.8 If more than one polling stations are located in the same building, then PO should satisfy himself that necessary arrangements have been made for segregating the voters and making them wait in different parts of the space in front of each polling station without causing confusion.

4.2.9 PrO must know that polling station and the area around it upto a radius of 200 meters should be under his control.

4.3 Ensure removal of posters of political parties and candidates for campaign.

4.3.1 No photos of leaders or symbols of any political parties or slogans having a bearing on elections should be exhibited and if they are
already there, those should immediately be removed till the poll is over.

4.3.2 No cooking or lighting of fire for any purpose should be allowed inside the polling station.

4.3.3 A notice specifying the polling area and particular of electors to be served by polling station and a copy of list of the contesting candidates in Form 7-A, should be displayed outside the polling station on a prominently outside each polling station.

4.3.4 Wherever practicable the facsimile of the symbol of each candidate should also be displayed in the Form 7-A.

4.3.5 According to the latest instructions of ECI, the seating order at the polling station for the polling agents of candidates shall be guided by the following categories of priorities, namely:

2. Candidates of recognised State Parties.
3. Candidates of recognised State Parties of other States who have been permitted to use their reserved symbols in the constituency.
5. Independent candidates.

4.4 PrO will not allow any representative of political parties to sit in the periphery of 200 meters for helping the voters. PrO should get the tents and chairs removed in that boundary.

4.5 No arms are carried inside the PSs.

4.6 If any polling officer appointed for polling station is absent from polling station, then PrO may appoint any person who is present at the PS to take place of absentee and inform the DEO accordingly.

4.7 Ensure that you and other members of your polling party reach the polling station 75 minutes before the hour fixed for starting the poll. On receipt, check the voting machine and the polling materials.

4.8 Check up the appointment letters of polling agents and explain to them provisions of section 128 of the R.P. Act, 1951. Assign them seats and issue them entry passes for their movements. Read out the declaration as referred to in Chapter XVI.
4.9 Ensure that Polling Agents appointed at your polling station are enrolled in the voter list of the polling station and he has EPIC.
