Subject:- Clarification regarding the print format of electoral rolls after new delimitation –  
regarding.

Sir,

The Commission vide its letters No.22/2/2005 dated 17-10-2005, 22-12-2005 and 19-01-2006 had communicated the revised print formats of the Title Page of electoral roll of each constituency, the first page of each part of the electoral roll of a constituency, Format of Supplement of Additions, Deletions and Corrections to be printed after disposal of claims and objections filed during the period allowed during annual revision; Format of Supplement of Additions, Deletions and Corrections due to continuous updation to be printed at the time of next draft publication of electoral rolls or in case any election is held from the constituency prior to that; Format for Summary of Electors to be printed at the end of each part.

In these revised print Formats, there are some labels to indicate the year of revision, qualifying date for the revision, type of revision, date of publication and roll identification to know the instant status of the roll by looking at their cover pages.

With the delimitation of constituencies there will be changes in the classifications of the two labels viz. TYPE OF REVISION and ROLL IDENTIFICATION. Karnataka's delimited roll have already been published in accordance with Commission's directions. In the remaining 23 States/UTs (where delimited rolls are to be printed) these labels will have to be modified to be printed on the cover page. For the sake of uniformity the following classifications may be adopted for these two labels :-

(1) **Type of revision** : Special revision on account of new Delimitation.

(2) **Roll identification** : Basic roll of revision, 2008 \* integrated with all supplements prepared in accordance with the extent of the newly delimited constituency.

(\*States to give the year when the last final publication was done.)

The description of MOTHER ROLL wherever it appears in the AC Title Page and Summary of Electors shall be same as that mentioned for roll identification.

You are requested to carry out the modifications before actually printing of the draft electoral roll for the first time as per the newly delimited constituencies.

Yours faithfully,

Sd/-
