Electronic Voting Machines (EVMs)

The poll in 2 (Two) States will be conducted at all polling stations using EVMs. The Commission has already made arrangements to ensure availability of adequate number of EVMs for smooth conduct of elections. The Commission has issued a new set of instructions with regard to the First Level Check of EVMs, that will be used in the polls in these States. The first level checks of such EVMs has been done in the presence of representatives of political parties. A two-stage randomization of EVMs shall be made. In the first stage, all the EVMs stored in the District storage center shall be randomized by the District Election Officer (DEO) in the presence of the representatives of the recognized political parties for allocation, assembly constituency-wise. EVMs will be prepared and set for elections after the contesting candidates are finalized in presence of candidates. At this stage also, candidates or their agents/representatives will be allowed to check and satisfy themselves in every manner about the functionality of the EVMs. After the EVMs in a constituency are prepared for poll by the Returning Officer and the ballot units are fitted with ballot papers, the EVMs will again be randomized to decide the actual polling stations in which they will be ultimately used. The second stage randomization will be done in the presence of General Observers and candidates or their election agents.

Law and Order and Deployment of Forces

Based on the assessment of the ground situation, Central Police Forces (CPF) and State Armed Police (SAP) drawn from other States will also be deployed during the ensuing general elections. The CPF and SAP will be used generally for safeguarding the polling stations, the electors, poll-material and the polling personnel. The Observers will be asked to keep a close watch on every stage of the electoral process to ensure free and fair elections. Their names, addresses within the district/constituency and their telephone numbers will be publicized in local newspapers so that the general public can quickly approach them for any grievance redressal. The Observers will be given a detailed briefing by the Commission before their deployment. Commission may also deploy Police Observers to keep a close watch on law & order situation.

Election Expenditure Monitoring
