No.464/MR-LA/2012

Dated: 21st January, 2012

To

The Chief Electoral Officer
Manipur,
Imphal.

Sub: Setting up of Polling Booths inside 16(sixteen) designated camps in Manipur for Suspension of Operation (SoO) groups in Manipur – regarding.

Sir,

I am directed to refer to the above subject cited and to request that survey be made for appropriate location of setting up Postal Ballot (PB) facilitation centers for distribution, recording, collection of PB in different camps of Suspension of Operation (SoO) groups in Manipur. Such proposed PB facilitation centers will have facility for ARO's office, place to record vote, party representatives to watch the proceedings from a distance and collection of recorded votes. Efforts should be made to see a voter is not required to travel more than prescribed limit to cast his/her vote and so location of PBFC should be finalized accordingly.

Yours faithfully,

(ARVIND ANAND)
